In House Dental Plan

Enhance Family Dental

I, , agree to pay $300 for a one year agreement for dental services described by the following and provided by Enhance Family Dental.

- Services included with the $300 fee
    - A total of two cleanings or periodontal maintenance appointments per year.
    - Full set of x-rays every 5 years
    - Panoramic x-ray every 5 years
    - Initial exam
    - One emergency exam per year
    - Two periodic “check up” exams per year
    - Bitewing x-rays (check up x-rays) every year
    - Periodontal probing

A 30% discount off our regular full fee for all dental services not included with the original $300 fee.

- This applies to
    - Fillings
    - Cores
    - Periodontal scaling and root planning
    - Periodontal maintenance cleanings in addition to the original two per year.
    - Root canals which can be completed at our office
    - Extractions
    - Bone grafting
    - Crowns and veneers
    - Bridges
    - Dentures (partial and complete)
    - Implants
    - X-rays needed for emergency exams.
    - Incision and drainage.
    - Emergency tooth-ache procedures not included in root canals and extractions.

**Orthodontic treatment (clear aligners) is not eligible for discount due to the high lab fee we incur per case.**

The 1 year agreement begins when the $300 fee is paid and is in effect for 1 year (365 days). The $300 fee is non-refundable.
